

Declaration
2009-07-23

I, Newton B White, make the following statements under penalty of perjury.

I am the inventor for application number 09/682,985.

In the response to office action being filed contemporaneously herewith, there is an account at paragraphs 3.6.1 through 3.6.3 of tests carried out at various well-known web sites. I personally carried out those tests and I attest to the truth of statements of fact made therein.
